#### 1. FINANCE CHARGE AND PAYMENTS

- a. How we will figure Finance Charge. We will treat any prepaid finance charge as fully earned on the date of this contract. We will figure the rest of the Finance Charge on a daily basis at the Base Rate on the unpaid part of the Principal Amount. Your Principal Amount is the sum of the Amount Financed and the Prepaid Finance Charge, if any.
- b. How we will apply payments. We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose as the law allows.
- must pay. We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We wantend you a notice telling you about these shanges before the line.
